

# Protect your rate while you build with an Extended Rate Lock.

**You've locked-in every decision to build your perfect home. Did you know you can lock your interest rate too?**

A lot can happen between pouring your foundation and closing day. You can rest easier knowing that the interest rate on your mortgage hasn't increased a bit since the day your loan was approved.

With an Extended Rate Lock from Arbor Bank, you can lock-in your interest rate for up to 12 months.

Speak with a Mortgage Professional from Arbor Bank and lock your rate today.
